

South of Scotland Enterprise Grant Awards 1 July 2024 – 30 September 2024

As of 30 September 2024, the list below shows financial assistance provided to clients of South of Scotland Enterprise (SOSE) between 1 July 2024 until 30 September 2024. However, not all of these monies may have been currently drawn down.

These awards are in alignment with [NSET \(National Strategy for Economic Transformation\)](#) as well as the [South of Scotland Regional Economic Strategy \(RES\)](#).

SOSE, in line with its legislation, recently published its first [Five Year Plan](#), out of which future operating plans will be formed.

In the last financial year (2023/24), SOSE engaged with 1,300 businesses, social enterprises, and community groups, of which 152 received grants which totalled £9.2 million.

In addition to the grants provided from 1 July 2024 to 30 September 2024, during the same period SOSE worked with 522 businesses, social enterprises and community groups.

SOSE remains on track to spend and distribute its budgets for the benefit of the South of Scotland.
